THE SETEC FOUNDATION

21 février 2022

THE SETEC FOUNDATION'S MISSIONS

- Created in June 2020
- Housed at the *Fondation de France*
- Independent of the setec group

Mission :

To provide financial support to environmental and societal projects led by non-profit organisations based in France and abroad

Funds :

- Initial endowment: 200,000 euros for 5 years, 40,000 euros per year
- Financial contribution from subsidiaries and individuals
- In 2020: 76,000 euros donated to 5 projects.
- In 2021 : **122,000 euros donated to 3 projects**.

2 GRANT MECHANISMS FOR PROJECTS

Relevant structures

- Non-profit structures, without private enrichment: associations, NGOs, public institutions, communities, cooperatives, etc.
- Robust structures, even if recent
- Structures located in a territory where the group and its subsidiaries are established

Annual call for projects

One theme per year

2020: Combating climate change in France

2021: Sustainable construction in France and Africa → 122,000 € given to 3 projects in Senegal and Cameroun

Fond Transition

Allows setec employees who wish to do so to relay projects that they feel should be supported by the Foundation.

The project must meet the mission of the setec Foundation in favor of the **environmental and social transition.**

16,840 € awarded in 2021

July 2021: 10,600 € were awarded to 2 projects during the 1st evaluation session by the Executive Committee

Novembre 2021: 6 240 € were awarded to 1 project in Haïti during the 2nd evaluation session
